SECONDARY COURSES

IB/IGCSE Subjects*

Our team of tutors are well-versed and experienced in teaching international curricula. We familiarise students with assessment criteria, practice with past papers, and equip students with the strategy and critical-thinking skills necessary in achieving academic success in these challenging programmes.

IB

- Language & Literature
- Literature
- Mathematics
- Physics/Biology/Chemistry
- Theory of Knowledge
- Computer Science

IGCSE

- World Literature
- Reading/Writing
- Mathematics
- Sciences
- Computer Sciences

*Please contact us for pricing.

DSE Subjects

Our tutors are also experienced in teaching local curricula. Past-paper drilling and exam techniques will be emphasized: English, Math, Sciences.

Transitions

Moving into a new school or curriculum? Transitioning between middle and high school? New expectations and learning cultures can be intimidating and nerve-wracking. We can help you familiarise yourself with these new uncertainties and conventions and stay ahead of the learning curve through preparation and pre-assessment training.

SUMMER PROMOTION: \$2500 FOR TEN LESSONS
